- **Parent / Child Dance-** DJ all set- okay with extra lighting as well as 6:30 to 7:0 session of lights on and lower volume on music. Will need access to kitchen for water and ice. Setting up chairs on perimeter and will block hallways not in use. Setting up a selfie station again this year with a flower take away as well. Reaching out to York High for volunteers.
- **YCSD Recess Committee Rep Kim Green-** Process started in August- met 4 times between August and October. Committee members were picked by Principals. They met to discuss the Bill that passed in April 2018 about adding more recess time to the day. Bill guidelines were that students must have at least one gym class per week, 30 minutes of recess a day and to also try and find other times to fit in unconstructed work time. Committee and Administrators helped create survey sent out to parents and then reviewed results. There was a 31% response. After review the committee felt two areas were most important: recess/ break time if broken up must be at least 20 minutes or more at a time and all services must still be received regardless of the extra recess times. Committee agreed that a 30 minute recess instead of 2/20 minute sessions or 1/40 minute session was the best option.
- **Teacher Representative:** Received list of outstanding allotments for teachers. Asked if students could partner for Science Fair- individual projects only. Asked for additional forms for Box Tops and requested due date? Stephanie looking into due date.
