Seaford Families,

As we draw to the end of this school year I would love to thank everyone who has stepped up to volunteer with PTA. I would like to express my deepest thanks to our current secretary and prior president Laura Hogan for all of her hard work and service. So glad she is moving on to service in our county PTA! Science Fair was amazing thank you to everyone who entered we learned so much! The Winter Wonderland Dance was perfect thank you to Karen Allsbrook and Lindsay Hagerty for putting this wonderful event on! Family Bingo was a packed house thank you to the Moss family and everyone who helped volunteer. The Talent Show was super awesome thank you to our chair and treasurer Marika Mathis and Cindy Eacho for all the hours of putting this together! Thank you to all the parents who have helped us this year we cannot do this without other fellow parents! Our last event for the year is Carnival. We will be adding so many new things and trying to have it back outside. We will be needing some volunteers to help. If you know of older students needing service hours please send them my way. We will be holding PTA elections at the Carnival this year again. I will be running for president again next year and I am looking for someone to shadow me and take my place as by our by-laws I can only hold a two year term max. If you are interested please let me know it is super rewarding to do this for our students! We will also do Koana Ice for the kids on field day this year. We are all so blessed to have such a wonderful community for our school.

Thank you,

Stephanie Hoover

PTA President

From The
Principal's Pen

Dear Seaford Families,

With the end of the school year quickly approaching, I would like to take this opportunity to thank you for a wonderful school year. We greatly appreciate the endless hours of volunteering, chaperoning, reading, organizing, donating and doing whatever was necessary to support our students – both at school and at home. A very special thank you to our AMAZING Seaford PTA who truly went above and beyond the call of duty to support our school. Our students and teachers continue to benefit greatly because of all of you.

It is such a privilege to work with such a dedicated group of professionals. Our Seaford staff is truly devoted to our students. They recognize the importance of educating the whole child and commit themselves to ensuring all of our students have a positive and rewarding school experience. We look forward to recognizing our staff during Teacher Appreciation Week May 6th – May 11th.

Our students are very busy during the last few months of school. SOL assessments for grades 3-5 begin May 6th and conclude May 24th. Expedited retake testing may run through part of June. Please be sure your 3rd-5th grader is well prepared and on time for school each day. Mrs. Jalomo will be sending home a detailed testing schedule to the parents. Lunch schedules will be adjusted for testing. Our webpage calendar will have the details of the changes.

Seaford's Kindergarten Kick-off will be held May 1st from 5:00-6:00 p.m. Please help spread the word in your neighborhood to get any Kindergarteners registered as soon as possible following the Kick-off.

We do not accept teacher requests for student placement for the next school year. All of our teachers at Seaford are wonderful! At the end of the year, the current teachers create balanced classrooms according to the academic and social needs of our students. When classroom lists are created by the current teachers, they are created without specific teachers in mind. Just before Open House in late August, we assign teachers to class lists. We can assure you that all of our teachers are dedicated and provide optimal instruction for every student.

A final word to Seaford students: Thank you for all of your hard work throughout the school year. I am so honored to be your principal, and you make me proud to be a Seaford Bulldog. Best wishes to our graduating fifth graders, whom I will miss greatly-please come back and visit. I hope everyone enjoys a safe and relaxing summer break.

Sincerely,

Barbara Nagel, Principal
