Dear Seaford Elementary School Families,

Welcome to the new school year! There has been an incredible excitement in the air as teachers, students and parents begin the new school year. As your principal, I am committed to continuing the tremendous legacy, tradition and vision of Seaford Elementary School. I am thrilled to be part a dynamic staff of dedicated, talented, caring and committed educators and am excited to be working with our wonderful and brilliant students. One of Seaford's greatest strengths is our powerful family and community support. As parents, guardians and family, you are your child's first and greatest teacher. Together as a loving school community—family and school—working as a mutually trusted and respected team, we exemplify our belief that our amazing students are our first priority.

The Seaford teaching and support staff is committed to providing caring and safe learning environments that educate the minds along with encouraging the hearts and spirits of our students. Our staff provides powerful and challenging curriculum and instructional activities designed to meet the educational needs of students. Communication between home and school is valued. You will receive routine teacher communication including newsletters, e-mails, phone calls, notes, and progress reports. "Back to School Night" will be held September 27th from 5:30-6:30 pm for kindergarten, first and second grades, and 6:30-7:30 pm for third, fourth and fifth grades. We look forward to seeing you there so that you can learn more about your child's daily school routine.

As the principal of Seaford Elementary School, my door is always open to you. Educating children through exceptional school programs is our business and our passion. Your child is important to us. You are important to us. Together as a school family we will do great things for our students!

Warmest Regards,

Barbara Nagel, Principal

“SUPER ME”

ANTI-BULLYING TRAINING

COMING OCTOBER 10TH 2018

October is Bully Prevention Month and PTA has scheduled a wonderful new theatre performance to bring more awareness to this. we have booked “Super Me”.

This performance is a fast paced theatrical adventure that combines high-energy hip-hop dance, intense video gaming, astounding magic, interactive animation and a live actor. Audience members are taken on a virtual journey into a comic book world to help a young boy escape from bullies.

Amazing animated and real life videos are projected onto a large screen during the performance allowing audience members to interact with the characters. The audience must help the boy overcome obstacles and solve puzzles using super powers onstage.

During the show, kids are taught a hip-hop dance based on the “Super Me” theme music. At the end of the show, the kids must perform the dance to move to next level of the Super Me training program. The Super Me song summarizes all the Anti-Bullying methods given during the show. Kids not only see real life examples of bullying, but are given clear step by step actions to help stop bullying.

We have scheduled two showings on October 10th in the afternoon as to have smaller groups for a better interactive experience.

Fall Book Fair
 October 22nd-27th

The more you read *The more you know*
Dr. Suess

Family Buy Night
 October 23rd 4:30-6:30 pm

The Annual Fall Scholastic Book Fair is coming soon! School and parent volunteers work with Scholastic Book Fair representatives to organize these weeklong events at school, where children can peruse and purchase their favorite books. The Scholastic Book Fairs team of book experts – former educators, booksellers, and Book Fair veterans – reviews thousands of titles from hundreds of publishers each year, and every Scholastic Book Fair offers a new assortment of books for the fall and spring seasons that consistently includes the latest award-winners and most popular books, often in exclusive editions only available to Book Fair customers. At the end of the Fair, the school is awarded either a percentage of the revenue or books and educational materials. We need to generate as much as possible to help our own school library. We will have a Family Buy Night the same evening as the Fall Festival so you can easily stop in and grab some great deals. We hope you can stop by. If for some reason you cannot come to Family Buy Night make sure to send money to school with your students as they get to shop during their scheduled resource library time that week.
