From the Principal's Pen

Hello wonderful Seaford families!

It is hard to believe the end of the year is here! The school year just flew by so fast! As we approach the end of the school year, I want to thank our extraordinary Seaford PTA. The PTA has really been a partner in the culture of this school. I would also like to thank YOU for the time and dedication you have given to our students. You have modeled that education is important and valued.

We began the month of May by honoring our school staff for Teacher Appreciation Week. Thank you for recognizing our teachers, para educators and custodial staff for all they do for our students and school.

Our students are very busy during the last few months of school. SOL assessments for grades 3-5 started on May 7th and conclude testing on May 25th. Expedited retake testing may run through part of June. Please be sure your 3rd-5th grader is well prepared and on time for school for these important SOL assessments. Mrs. Jalomo will be sending home a detailed testing schedule to the parents. Lunch schedules will be adjusted for testing. Our webpage calendar has the details of the changes.

Kindergarten registration began on May 1st. Please spread the word in your neighborhoods to get any Kindergarteners registered as soon as possible. We would love to have an accurate preliminary count of our new Kindergarten students for our central office as soon as possible! We also can't wait to meet our newest Seaford Bulldogs!

We hope to see you at our school carnival on May 11th! Save the date for our field day—June 8th; rain date is June 11th.

We do not accept teacher requests for student placement for the next school year. We are also unable to take letters or requests for specific teacher or student learning styles. All of our teachers at Seaford are just amazing!!! At the end of the year, the current teachers create balanced classrooms according to academic and social needs of our students. When classroom lists are created by the current teachers, they are created without specific teachers in mind. Just before Open House in late August, we randomly assign teachers to class lists. We can assure you that all of our teachers are dedicated and provide optimal instruction for academic success for every student.

Our school office is open Monday-Thursday during the summer. You're welcome to stop by and say hello!

As you get ready for the summer, whether you are traveling, taking courses, or just relaxing with friends and family, remember to have a safe and enjoyable time!

I am proud to know and enjoy your sweet child(ren). This is truly the best place to come to work each day! I already can't wait until next school year!

From the PTA President

Hello Seaford Families,

As the school year wraps up, the PTA is looking forward to our annual Spring Carnival on May 11th from 5:30 to 8:00pm. This is the final event of the school year for the PTA, and we are super excited!! Take note that we will be holding our elections for next years' Board at the Carnival this year.

Once again this year, the PTA will have the Kona Ice Truck available for our students during Field Day. This was such a welcomed treat last year that we decided to bring them back again!

Family BINGO Night was a huge success again, and we need to thank Reggie and Emily Moss for that! I think we hit a record number for attendance, and all of the prizes were fabulous! We are so grateful to those parents who donated items. Thanks so much for all of your hard work!

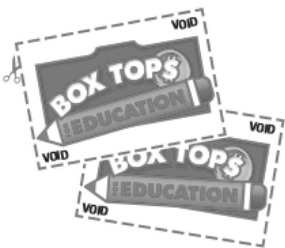

We also need to thank Marika Mathis for chairing the Talent Show that took place at the end of April. She stepped in last minute and did a tremendous job. We are so happy that the students were able to show off their talents. It was a great night!!!

As outgoing President, I would like to say thank you to all of the wonderful parents, staff, and administrators that helped me navigate my way through the last two years. I have had so much fun, and it was truly an adventure. I think we have the best volunteers here at Seaford, and we couldn't have planned so many fun things without your support!

Lastly, our final PTA meeting for the year will take place on Monday, June 4th at 6:30pm in the Library. If you are interested in getting involved with an event this upcoming school please reach out to me at DHogan34@verizon.net.

Thank you again...for everything!

Laura Hogan
PTA President

Keep sending in your Box Tops for Education labels! The school will be able to purchase lots of great supplies with the points. We appreciate all of your support!
